Information about HPasses

Discounted Five-day, Ten-day and 30-day HPasses are available for purchase at the Patient Registration desk (located on Quinte 3 at Belleville General Hospital, and near the Emergency Department at Trenton Memorial Hospital).

- HPass Rates:
  Five-day pass: $22.50
  Ten-day pass: $45
  30-day pass: $110

- HPasses do not need to be used for consecutive days and are based on a 24-hour period of in and out privileges. HPasses are valid for a full year from the time of purchase.

- If you have purchased an HPass and would like to check how many uses you have left, please visit: https://hpasscustomer.preciserd.com and enter your parking pass card number.

- Important note about HPasses: Please pay close attention to the number displayed at the gate entrance when you insert your HPass. If you see "1", this means that you have one exit left. If you return the next day, arriving before the 24hrs has expired (earlier than you arrived the day before), you will be granted entrance, but will be prompted to pay $15 if exiting after the 24hrs from the previous day has been reached.

- More information about HPasses can be found here.
