

# General Radiologist: Full-Time and Locum

Quinte Health is seeking two well-diversified **full-time/permanent** general radiologists as well as a **locum** to join the Department of Diagnostic Imaging (DI) and its team of 13 radiologists.

The preferred start-date for full-time/permanent positions is **July 1, 2024**, however an earlier start date is possible.

Start date and duration for locum positions is flexible though availability starting in early 2024 is preferable.

Core services include general radiography, ultrasound, CT, MRI and basic interventional radiology. Breast imaging is also provided as a service and would be open to candidates with appropriate training and experience. Ability to perform non-vascular interventional procedures such as percutaneous abscess drainage would be an asset. Fellowship training would also be an asset.

Rotating coverage includes off-site home reporting. The primary location is Belleville General Hospital, which lies between the beautiful Counties of Hastings and the vineyard region of Prince Edward County. On-site presence is also provided at Trenton Memorial Hospital.

All candidates must be RCPSC certified and fully licensed.

Quinte Health has 1,800 staff members and 380 medical staff who provide a wide range of high-quality health care services to a region of 160,000 residents. Care is provided through four hospitals – Belleville General, North Hastings, Prince Edward County Memorial and Trenton Memorial Hospitals – and includes four emergency departments, operating rooms at three sites, inpatient services (including acute medicine, intensive care, obstetrics, pediatrics, mental health, complex continuing care, rehabilitation and surgery), a rehabilitation day hospital, children's treatment centre, ambulatory care clinics, community mental health programs, an oncology centre and a range of diagnostic services. An upgraded 1.5T MRI scanner is present at the Belleville site as well as 3 CT scanners in the Belleville, Trenton and North Hastings (anticipated January 2024) sites. Radiography and ultrasound are provided at all 4 sites.

The Quinte area includes some of the most diverse and beautiful countryside in Ontario. From the lakes of Bancroft down to the wine country, picturesque towns, and Sandbanks Provincial Park of Prince Edward County, and through the more urban Belleville/Quinte West/Brighton corridor alongside Lake Ontario, almost every lifestyle interest can be found within the communities served by Quinte Health. The region offers low cost of living, affordable homes, and excellent schools as well as quality local theatre, shopping and restaurants. Belleville and Quinte West are located along the highway 401 corridor, and Toronto, Ottawa, Montreal, and Kingston are all easy driving distance.

Please submit an application - letter of intent, CV and 3 references to Dr. Vivek Singh, Medical Director, Diagnostic Imaging: [vsingh@ghc.on.ca](mailto:vsingh@ghc.on.ca). **Closing date January 15, 2024.**

**Quinte Health**

**WE'RE  
HIRING!**
